कोशल सिंह मण्डवार, वास्तुविद
ग.प्र. वास्तु पर्यटन विकास निगम

1. The building is situated at the corner of the main road and the railway line. It is a two-story building with a total area of 10000 sq. ft. The ground floor is used for training and the first floor is used for accommodation. The building is surrounded by a wall and has a parking area for 10 cars. The building is owned by the Government of India and is used for the training of the police and the army. The building is a landmark in the area and is easily accessible by road and rail. The building is a good example of modern architecture and is a source of pride for the community. The building is a good example of modern architecture and is a source of pride for the community.
