To

The worthy Deputy Commissioner
Ramban, UT J&K

Job: - "Construction of balance works of Tunnel T-48 (Between Km 100.00 to 110.200 approx.) on Katra-Banihal Section of Udhampur-Srinagar-Baramulla New BG Railway Line Project (Package Tunnel T-48R)".

Reg:- Request letter for Approval of Stone Quarry FRA Certificate

Respected sir.

This is to inform you that M/S IRCON INTERNATIONAL LTD has awarded us the project for the construction of balance work of tunnel T48-R for the execution of the same, we require various source for extracting stone boulders.

In view of the above, we had already applied for the approval of stone quarry on forest land, but the quantity available will not be sufficient for the same and Ramban stone crusher are not able to provide material for the construction of **National Importance Project**. In this regards, we have identified one more source for the extraction of boulders which located at jawari sumber (Khasra No 1646) forest block Sangaldan, in vicinity of the project.

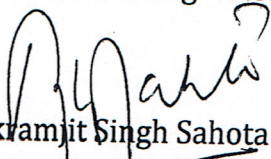

We request your good self to accord your approval in the pretext of the National Interest for the extraction of stone boulder and FRA certificate for the above said forest land and oblige.

We assure for the best services

We thank you,

With regards

For Gammon Engineers and Contractors Pvt Ltd
