6	Sketchy muck disposal plan is uploaded and calculation of muck is also incorrect.	Sketch of muck disposal plan is uploaded and calculation is also corrected and uploaded.	
7	District Profile seems incorrect.	The objections related to this point is not concern to this office..	
8	In place of details of person submitting application at A3, Designation is given.	Authority letter is reuploaded by mentioning the name of applicant.	
9	From the KML file of the area proposed for diversion, it appears that a lot of non forest land is available from which connectivity can be provided to the village, but this aspect has not been explored.	The proposed alignment of motor road is shortest in length and it will affect minimum trees in forest land, If we move on other aspects for this road, length of road will increases and it will damaged maximum parts of forest land and many trees will get affected.	
10	In FRA certificate, 0.09 ha of van panchayat land is shown to be affected while it is not mentioned in legal status at para 2 part II online.	The objections related to this point will be removed by D.F.O. office.	
11	Distance from protected area is not mentioned.	The objections related to this point is not concern to this office.	
12	State Govt. has uploaded ANR details to be carried out.	The objections related to this point is not concern to this office.
