

Calculation of Penalty for Violation of Forest (Conservation) Act 1980

Name :- Ex-Post Facto Proposal 0.4368 Protected Forest Land Proposed to be diverted for service land road to Om Residency developed by Neostar Reality Pvt.Ltd. and Ruhialkhand Projects Ltd. on NH-30(Old NH-24) Bareilly Shahjahanpur Road between KM.267-268, Ch. 267.640 (LHS) in Bareilly District

NPV Calculation is bellow for Violation of Forest (Conservation) Act 1980

Proposed Forest Land for Violation of Forest (Conservation) Act 1980 (Eco Class-III and Forest Density is 0.2) = 0.095 Ha. Net Present Value (NPV) Rate = Rs. 626000.00

Calculated NPV of Proposed Forest Land = Rs (0.095 x 626000) = 59470.00

Or say = 59470.00

Since the proposer has violated the Forest Conservation Act 1980 before applying it from 2013 to 2020. According Para 3B (i) Government of India letter No. 11-42/2017-FC date 29.01.2018, the penalty for violation shall be equal to NPV of forest land per hectare for each year of violation from the date of actual diversion as reported by the inspection officer with maximum up to five times of the NPV plus 12 percent simple interest till the deposit is made.

Thus the Penalty Amount = Rs. 59470.00 x 5

= Rs. 297350.00 + 12% Simple Interest till the date of deposition

Place : Bareilly

Date: 12/10/2020
