**Subject:** Rehabilitation and Upgrading of Existing Road to 2 Lane with Paved Shoulder from End of Hamirpur Bypass (Chil Bahal) to Bhangbar Section of NH-88 (New NH-3 & 303) (Design Chainage- Km 138+295 to Km 175+270, Design Length-36.975 Km) in the State of Himachal Pradesh (Package IV) - Forest Diversion Proposal Reg.

Sir,

NHAI has been entrusted with the subject project and its upgradation to 2 lane with paved shoulder involves diversion of forest and non-forest land. Accordingly, Forest Diversion Proposal (FDP) was submitted online on 29.10.2021 vide proposal no. FP/HP/ROAD/148886/2021.

2. Now, as per observations (Point No. 12) raised by Nodal Office (FCA), H.P. a Certificate of non-availability of non-forest land for the project is required from your good office.

3. The subject cited project falls in Nadaun Tehsil of Hamirpur district, Jwalamukhi, Baroh and Kangra Tehsils of Kangra district. Diversion of 2.1108 Ha of forest land along the project road is proposed for the development of the road.

4. The diversion of 2.1108 Ha of forest land along the proposed road is unavoidable and there is no suitable alternate non-forest land for the proposed development. The forest area details are enclosed herewith as Enclosure for your ready reference.

5. It is hereby requested to kindly issue a certificate mentioning that there is no alternative non forest land available for the subject project so that it can be submitted to the Forest Department for obtaining Forest Clearance.

Yours' faithfully
