Subject: Regarding diversion of 215.33 Ha Forest land out of 281.17 Ha towards Churi-Benti underground project in Ranchi Forest department (FP/JH/MIN/23021/2016)

Ref no : Letter no 33 dated 13.01.2025**Letter No 144 dated 18.01.2025**

Dear Sir

This is to kindly bring to your notice that Churi-Benti UG has been accorded Stage-I approval for an area of 312.76 ha vide ref no F.NO 8-49/2008-FC dated 23rd February 2009. As the condition no 3 quote "Following activities shall be undertaken by the State Forest Department at the project cost"

In this regard it is to submit that Churi-Benti project is an underground project and there is no surface excavation of the materials (i.e. Overburden) as it is the case in respect of opencast mines. Therefore, surface of the diverted forest land is not being broken and hence there are minimal impact on the topography of the forest land involved in the project.

Further as there no surface excavations there are no dumps generated and as such there are no sliding of excavated material (i.e. Overburden) in case of the instant project. Hence the instant conditions i.e. 3(i), 3(ii) and 3(iii) are not applicable for Churi-Benti Underground project.

The same had been also submitted by the project and have been duly forwarded to MoEF&CC New Delhi. (copy of letters enclosed as annexure A)

Subsequently, MoEF&CC vide letter no F.NO 8-49/2008-FC dated 02nd August 2010 (copy of letter enclosed as annexure B) amended the said condition reciprocated as follows:

Condition	Details	Changes Agreed to
Condition no 3	Following activities shall be undertaken by the State Forest Department at the project cost	Following activities undertaken by the project proponent under the supervision of the State Forest Department at the project cost

Consequently, Stage -II FC clearance vide letter no F.NO 8-49/2008-FC dated 12th October 2010 (copy enclosed as annexure C).

Aij
Project Officer
Churi Colliery, P.O. Ray, Ranchi

As such it to humbly submit that as the condition have been duly amended by MoEF&CC therefore the demand against the said activities is neither to be raised by DFO, Ranchi nor any amount to be submitted in CAMPA account.

Further it is to submit that various activities as required are being undertaken by the project, the details of the same are as follows:

Condi on	Details	Remarks
3(i)	Proper mitigative measures soil erosion and choking of streams shall be prepared and implemented	Since the project is an underground project and the surface of the forest land has not been disturbed therefore there is no soil erosion due to mining activity in the instant project
3(ii)	Planting of adequate drought hardy plant species and sowing of seeds to arrest soil erosion	There are no excavated areas in the project as such planting of drought hardy plant species and sowing of seeds to arrest soil erosion is not required within the project boundary. However, the project has undertaken Gap Plantation with collaboration of State Forest Department in 312.76 ha. Copy of letter enclosed as Annexure D
3(iii)	Construction of check dams, retention/toe walls to arrest sliding down of the excavated material along the contour	There is no excavated material i.e. Overburden produced in the project as such this condition is not applicable for the project

As per the above mentioned, facts and compliances it is submitted that the project has been complying with the conditions as accorded in the Stage-I and Stage-II Forestry clearances. Hence it is kindly requested that the existing proposal for diversion of the 215.33 ha may be considered accordingly please.

Thanking You,
Yours faithfully,

Sub: Diversion of 312.76 ha of forest land (302.49 ha for under-ground and 10.26 ha for surface use) in favour of M/s Central Coalfields Limited (CCL) in Churi PF of Ranchi East Forest Division in Ranchi district of Jharkhand.

Sir,

I am directed to refer to the State Govt. letter no. Vanbhumi-76/2007/260/VP dated 21.04.2008 on the subject cited above seeking prior approval of the Central Government under the Forest (Conservation) Act, 1980. After careful consideration of the proposal by the Forest Advisory Committee constituted under section-3 of the said Act, in-principle approval was granted vide this Ministry's letter of even number dated 23.02.2009 subject to fulfillment of certain conditions. The State Government has furnished compliance report in respect of the conditions stipulated in the in-principle approval and has requested the Central Government to grant final approval.

In this connection, I am directed to say that on the basis of the compliance report furnished by the State Government vide letter no. Vanbhumi-76/2007/3100/VP dated 25.08.2010, approval of the Central Government is hereby granted under section-2 of the Forest (Conservation) Act, 1980 for diversion of 312.76 ha for under-ground coal mining and surface use in favour of M/s Central Coalfields Limited (CCL) in Churi PF of Ranchi East Forest Division in Ranchi district of Jharkhand subject to fulfillment of the following conditions:

1. Legal status of forest land shall remain unchanged.
2.
 - a Compensatory afforestation shall be raised and maintained by the State Forest Department at the project cost.
 - b Fencing, protection and regeneration of the safety zone area shall be done at the project cost. Besides this, afforestation on degraded forest land, to be selected elsewhere, measuring one and a half times the area under safety zone, shall also be done at the project cost.
 - c Wherever possible and technically feasible, the User Agency shall undertake afforestation measures in the blanks within the lease area, as well as along the roads outside the lease area diverted under this approval, in consultation with the State Forest Department at the project cost.
3. The approval under the Forest (Conservation) Act, 1980 is subject to the clearance under the Environment (Protection) Act, 1986 and any other Acts/Regulation/Rules.
4. The period of permission for lease under the Forest (Conservation) Act, 1980 will be for 20 years or co-terminus with the mining lease subject to possession of valid lease by User Agency under the MMDR Act, 1957.

5. The User Agency shall furnish an undertaking to pay the additional NPV, if so determined, as per the final decision of Hon'ble Supreme Court of India.
6. Demarcation of mining lease area will be done on the ground at project cost using four feet high reinforced cement concrete pillars with serial numbers, forward & back bearings and distance from pillar to pillar.
7. The user agency shall take up plantation over the surface area wherever the forest density is less than 0.4. Gap planting should be taken up in the areas where density is between 0.4 and 0.7. The user agency will protect the area till the life of the underground mining in consultation with Forest Department.
8. The forest land shall not be used for any purpose other than that specified in the proposal.
9. Any tree felling shall be done only when it is unavoidable under strict supervision of the State Forest Department.
10. No damage to the flora and fauna of the area shall be caused.
11. No labour camps shall be set up inside the forest area.
12. The user agency will make arrangement for free supply of coal to labourers and staff working on the project site so as to avoid any pressure on the adjacent forest areas.
13. The user agency, on a long term policy intervention, will explore the possibility of establishing vocational Training Institutes for training the local youth and employing them in their operations for a minimum period as a part of its CSR.
14. Other standard conditions as applicable to underground mining projects shall be applicable in instant case also.
15. Any other condition that the Chief Conservator of Forests (Central), Regional Office, Bhubaneswar may impose from time to time in the interest of conservation, protection or development of forests.

Sub: Payment of Rs 1,81,65,107.98 (One Crore Eighty One Lakhs Sixty five Thousand and one Hundred Seven Rupees and ninety eight paise) for compliance of Stage-II clearance of Churi Underground Project NK, Area, CCL
Ref No: 1. Our letter no. 207 dt. 18.08.2016
2. Your letter no. 3559 dtd. 02.08.2017 of CF/DFO, Ranchi forest division.

Dear Sir

The condition No. 7 of the Stage-II clearance of Churi UGP (312.76ha) vide letter no. F.No. 8-49/2008-FC reads as following:
"The user agency shall take up plantation over the surface area wherever the forest density is less than 0.4. Gap planting should be taken up in the areas where density is between 0.4 and 0.7. The user agency will protect the area till the life of the underground mining in consultation with forest department"

Accordingly CCL had requested your good office vide our letter no. 207 dtd. 18.08.2016 for undertaking the above mentioned plantation work and accordingly an estimate amounting to Rs. 3,55,23,600 was submitted.
Based on discussion held on 22-12-2017 an amount of Rs 1,95,03,663.98 (One Crore Ninety Five Lakh Thirty Six Thousand Sixty Three Rupees and Ninety Eight Paise only) was required to be deposited by CCL for plantation & care of saplings during 1st year only as the saplings would attain sufficient height after this period.

After deducting an amount of Rs 13,38,556.00 (Thirteen Lakh Thirty Eight Thousand Five Hundred Fifty Six Rupees), for plantation over 5 ha land in Churi UGP, already paid to forest department, the net payable amount comes to Rs 1,81,65,107.98 (One Crore Eighty One Lakh Sixty Five Thousand One Hundred Seven Rupees and Ninety Eight paise Only) which was duly approved by CCL board.

This is to inform you that on 28.03.2018, an amount of Rs 1,81,65,107.98 has been deposited in account of DFO, Ranchi Forest Division, Ranchi (IFSC Code: UBIN0538035, Journal No.: 140682948) vide RTGS UTR no.
