Sir/ Madam,

In compliance of your letter dated 06/12/2021, we hereby submit our para wise comments as under:

i) Reply to query at Para No. 1:

Copies of RoR (7/12) of Forest Land are attached with the proposal and soft copy of RoR (7/12) of non- forest land are submitted in CD. We have submitted proposal based on records available in public domain. You are requested to examine and tally the same with records of Forest Department. If any land parcel is left unattended, kindly advise us; we will incorporate necessary changes.

ii) Reply to query at Para No. 2:

As desired, "L" section of road along with all requisite information is provided herewith for your kind perusal, please.

iii) Reply to query at Para No. 3:

Complied as desired.

iv) Reply to query at Para No. 4:

All land parcel involved in the projects have already been included in the proposal.

v) Reply to query at Para No. 5:

The project is linear and the area proposed for diversion is less than 1.00 Ha. As such, compliance is required to be made by the Division Office. However, it would not be out of place to mention that since the Forest Land proposed for diversion is less than 1.00 Ha. and no tree felling is required to be carried out for execution of the project, the clause of Compensatory Afforestation Scheme is subjected to provision under Para 2.6 (i) (b) of Handbook of FCA, 1980 & FCR, 2003 (Guidelines & Clarifications). In this proposal, the CA is not to be insisted upon.

vi) Reply to query at Para No. 6:

Complied as desired, if required.

Submitted for further needful, please.

Yours faithfully,

S. S. Kupal
