**Clarification to your office Letter No: KFD/HOFF/A5-1(MNG)/81/2019-FC, Dated: 23.01.2020 regarding C&D land.**

- We have been granted Mining lease for an area of 43.30 Ha in the year 1980.
- During the renewal of Forest Clearance in the year 2000 the recommendation was made for 43.30 Ha by DCF Bagalkot & CCF, Belgavi stating that ( 43.30 Ha is total area out of which 30.33 is Brokenup land and 12.97 Ha is unbroken land)
- for 12.97 Ha area is unbroken land we have given 13.00 Ha of C & D land Sy.no 636 A in Betasur Village in saundatti Range, Belgaum and mutation entry made in favor of Forest Dept in the year 2000.
- We have also paid Compensatory afforestation charges to the Forest Department.
- In 2000 PCCF office has recommended to the State government only Brokenup land of 30.33 Ha
- State Government has also recommended the same area of Brokenup Land of 30.33 Ha to MOEF, Government of India,
- FC was granted for 30.33 Ha and for 10 years and Government Notification was also made for 30.33Ha accordingly mining lease was also executed for 30.33Ha
- Then we have requested Government of Karnataka as per MMDR Act, Government can't reduce the area and lease period should not be less than 20 years
- Hence Government of Karnataka has accepted our request as per MMDR Act they have issued notification for 43.30 Ha for a period of 20 years.
- On this bases we requested PCCF office to process our balance area of 12.97 Ha, and PCCF office has recommended for 12.97 Ha to State Government
- State government has also recommended to MOEF Regional office, Kormangala Bangalore.
- But our proposal was sent back from MOEF, GOI, stating that send the proposal of 12.97 Ha along with 30.33 Ha as this renewal in Form A.
- Again in the year 2016 as per MMDR Amendment Act 2015 our lease was extended upto 5.6.2030 for entire area of 43.33 Ha
- Now we have submitted our application for Balance area of 12.97 Ha through online Portal.
- For 12.97 Ha of Unbroken land for Forest Clearance C&D land which was given in 2000 is for this proposal only.
