H.P. Forest Department

Dated:- 4/1/2021

From:- R.F.O. Chaura Maidan Shimla

To:- D.F.O. Shimla (U)

Sub:- **Regarding issuance of Eco Sensitive Zone Certificate for construction of Rain harvesting water tank at Jakhu Shimla.**

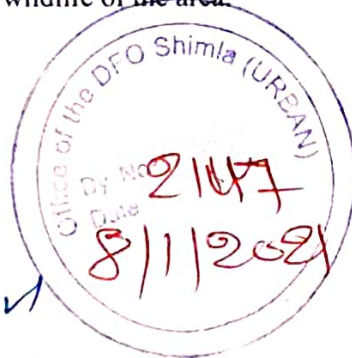

Memo :

Kindly refer to office Endst. No.FCA-Vol.III/2020-2021/1746 dated 21.12.2020 on the subject cited above.

The Eco Sensitive Zone Certificate for construction of Rain harvesting water tank at Jakhu Shimla is as under :

1. That the proposed site is at a distance of 2.43 Km by aerial from the Shimla Water Catchment Sanctuary and 2.27 Km from Eco-sensitive zone.
2. That there is no scope for the construction of any Wildlife corridor in the alignment of the proposed site.
3. That the construction of the said site shall not pose any kind of danger to the Wildlife or its habitat of the area.

Therefore, the case is recommended from the Wildlife point of view as it is perceived that construction of the proposed site shall have no adverse impact on the wildlife of the area.
