Sub: Proposal for provisional NOC for access permission to the proposed new fuel station of M/s TORRENT GAS PVT. LTD. at Chainage Km167.216, LHS on NH-731 at Village-Chaubeesi, Tehsil- Haldergarh, District- Barabanki in the State of UP -Reg.

Ref: 1. PD, PIU-Lucknow letter no. 6251 dated 02.12.2021

Sir,

Please refer your letter under ref. above for issue of provisional NOC for access road permission to the fuel station mentioned in the subject above.

The above proposal has been examined by the committee constituted in this office in light of Ministry's guidelines issued dated 26.06.2020. Based on drawings, checklist and associated documents submitted and recommended by PD PIU Lucknow vide letter u/r above, the proposal has been approved '**In principle**' by the Competent Authority in the Regional office NHA, UP(East), Lucknow. The provisional NOC is being issued to the proposal, subject to the following conditions:

- 1) Submission of fee for grant of provisional NOC of **Rs. 20,000/-** by the applicant.
- 2) The Provisional NOC shall be valid only upon the successful realization of the requisite fees to the Central Govt. account.
- 3) Submission of the BG towards successful completion of access as per the prescribed norms/ specifications amounting Rs.2,50,000/- with validity of 3 years by the applicant as per Ministry circular dated 26.06.2020 and verification/confirmation of the same by concerned PD as per NHA guidelines before conveying the approval to the applicant.
- 4) Submission of undertaking regarding ownership of land between ROW and plot boundary by the applicant (if applicable).
- 5) The location of the proposed fuel station does not interfere with future improvement of Highway and nearby intersection and junctions.
- 6) The drinking water and toilet facilities shall be provided at the fuel station. Such facilities shall be accessible to the public round the clock. In order to inform the public about these, a retro reflective display board as per format enclosed at Annex-I shall be installed at the buffer strip in-front of fuel station.
- 7) For drainage, RCC slab culvert with minimum span of 2m shall be provided as per IRC:SP: 13-2004 - "Guidelines for the design of small bridges and culverts". The slab culvert shall be constructed with iron grating of adequate strength in the approaches for drainage of surface water. It must be ensured that outfall of above said culverts shall be connected to nearest drainage facilities available along/across the road.
- 8) The applicant shall ensure the video recordings (before and after completion of construction work) of the site and that the work is done as per approved drawings.
- 9) The approval is based on the submissions made by the Applicant as verified by the PD PIU Lucknow, NHA. The Applicant is responsible for the details provided in the application. The NHA is at liberty to verify the authenticity of the documents at any

time. Any misrepresentations, omission or suppression of facts or disclosure of incomplete facts detected at any stage shall lead to withdrawal of this approval with cost to the applicant.

- 10) Any unauthorized access from the National Highway shall be cut-off and necessary action be taken as per Ministry's guidelines.
- 11) The provisional NOC, however, shall be subject to the stipulations of the Ministry's circular dated 26.06.2020 and further amendments/revised guidelines.
- 12) The oil company may construct the access to the proposed fuel station, as per approved drawings at their own cost within 12 months of the issue of this Provisional NOC. After the construction as per approved drawings and the certification by the Project Director, PIU Lucknow, NHAI, that the construction work has been carried out in compliance with the provisions approved, the issue of final formal permission including issuance of signed license deed may be considered. In case the construction is not done in one year of the issue of this provisional NOC, the same shall be deemed to be cancelled, unless renewed by the Competent Authority. The concerned Oil Company would be allowed to energize the fuel station only after the final approval by the Competent Authority.
- 13) The fresh License deed (duly indicating new NH No. along with chainage), in two originals, as per the standard format given in Ministry's circular dated 26.06.2020 drawn on new stamp paper and duly signed by authorized signatory may be furnished at the time of issue of final permission.

In view of the above, a copy of drawing (layout and drainage plan) as approved by the Competent Authority is being enclosed herewith for taking necessary action.
