Dated: 24/01/2020

KSAI is an exploratory drilling location. The area of the approach road to the well KSAI from the village road is 0.324ha. A part i.e. less than 0.2ha of the approach road is not falling inside the existing PML boundary. As the exploration for oil is for national interest it is requested to consider the matter to obtain the forest clearance.
