Date /01/2016

Sub:- Reason for uploading EC of Chhal OC 3MTY running Mine in the online application for of 185.017Ha. Forest land of proposed Chhal OC Seam-III (6MTY) project.

The entire leasehold area of the operational Chhal OC 3MTY coal Mine falls wholly within the proposed Chhal OC Seam-III Project (6MTY).

The Environmental Clearance of 3MTY (peak 3.5 MTY) to this running Chhal OC mine was granted vide File No. J-11015/1000/2007-IA.II(M) dated 27.04.2010. This can therefore be related to the proposed 6MTY Mine.

Application for EC for 6MTY will be submitted after registration of this proposal. Therefore EC of 3.5 MTY Peak has been uploaded.
