Ref:- This office memo No. 4220 dated 29.05.2024.

In inviting kind reference to the correspondence cited above on the captioned subject, this is to inform you that referring letter No. 5-ORC582/2023 – BHU dated 12th April, 2024 of the Dy. Inspector General of Forests (C), Ministry of Environment, Forest and Climate Change, IRO, Bhubaneswar, the User Agency has been requested to realign the proposed road alignment excluding CRZ-IA & No Development Zone area and submit the details of realigned road proposal to this office.

In this context, enclosing CZMP Map, sheet No. F45P6/SW (Revised), Map No. OD90, the Project Proponent has intimated that, no part of the proposed road is falling within ecological sensitive area, i.e. CRZ IA (Sand Dune). To justify the same site-specific CRZ Map developed in line with the revised CZMP map by NCSCM, Chennai, the Project Proponent has requested for further processing of Forest diversion proposal without change in the alignment of the road corridor project.

In view of the above, copy of the above letter submitted by Subarnarekha Port Private Limited (SPPL) along with its enclosure enclosed herewith for information and further course of action.

Balasore Wildlife Division, Balasore

Ref. No: SPPL/ENV/23/2024

Date: 23.09.2024

To,
 The Divisional Forest Officer,
 Balasore (WL) Division

Subject: Diversion of 6.779 ha of Forest Land for Two-Lane Strengthening/Widening/Newly Built Road from Basta to Subarnarekha Port via Dagara Beach in Balasore District under Balasore (WL) Division by Subarnarekha Port Pvt. Ltd.

Ref: 1. Your email dated 29.05.2024.

2. Field Director, Simlipal Tiger Reserve, Baripada's letter no 1617/3F-33/2024 dated 17.05.2024.
3. MoEF & CC, RO, Bhubaneswar's letter No.5-ORC582/2023-BHU dated 12.04.2024.

Dear Sir,

With reference to the subject cited above and above referred letters, we seek your kind attention to clarify whether a portion of the proposed road falls under the CRZ 1A (Sand Dune) area and the 'No Development Zone' as per the CRZ Notification, 2019.

1. According to the revised CZMP Map, Sheet No: F45P6/SW (Revised), Map No: OD90 (enclosed as Annexure 1a), no part of the proposed road is falling within the ecologically sensitive area, i.e., CRZ 1A (Sand Dune). This is corroborated by the site-specific CRZ map (1:4000 scale) developed in line with the revised CZMP map by NCSCM, Chennai (enclosed as Annexure 1b).
2. As per the site-specific CRZ map, the road corridor passes through the following CRZ areas:

Table: Area (in Sq. m.) of Road Corridor under the CRZ Categories (as per approved CZMP of Odisha State, CRZ Notification – 2019)

Sheet No. of NCSCM CRZ Map	Intertidal Zone – CRZ IB (in Sq. m)	No Development Zone (in Sq. m)	CRZ IIIB – 200 m to 500 m from HTL (in Sq. m)	CRZ IVB (Waterbody) (in Sq. m)
Sheet No: 09	-	-	20991.28	-
Sheet No: 10	-	-	43542.26	-
Sheet No: 11	-	26473.26	26192.10	-
Sheet No: 12	4296.03	45030.84	-	-
Sheet No: 20	530.87	1338.86	-	530.87
Total	4826.90	72842.96	90725.64	530.87

As per the para 2.3.3 of CRZ Notification, 2019 The NDZ shall not be applicable in the areas falling within notified Port limits.

As it is evident from the above table, the proposed road corridor does not fall under the CRZ 1A (Sand Dune) area.

3. Also, as per the above table, the road corridor passes through an area of 72842.96 sq. m. of No Development Zone. However, as per paragraph 2.3.3 of the CRZ Notification 2019, "The NDZ shall not be applicable in areas falling within notified Port limits." As illustrated in the enclosed map (Annexure 1a), the section of the road passing through the NDZ is within the notified Subarnarekha Port Limits (enclosed as Annexure 2). Thus, the NDZ criteria specified in the CRZ 2019 may not apply.

We therefore request your necessary assistance for further processing our Forest Diversion Proposal without any change in the alignment.

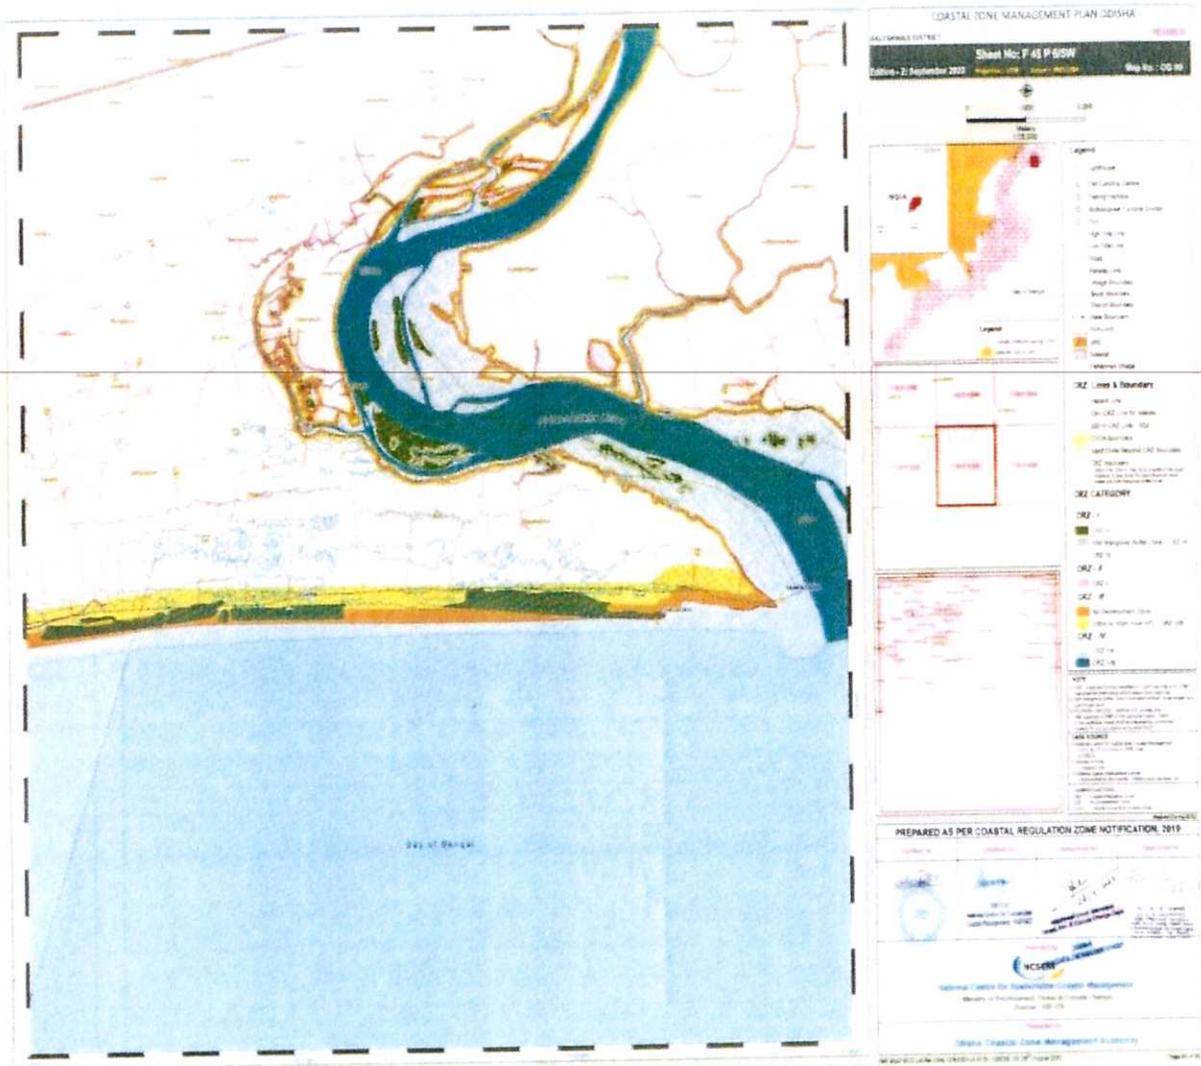

Thanking You,

Yours sincerely,

(Tanmay Kumar Sahu)
