1. This is an indicative cost model for Additional CA plantations which can be modified in a site specific manner as per site requirements. While formulationg Additional CA schemes for FCA cases other site specific interventions can be incorporated.
2. For protection of plantation, site specific interventions i.e. Tree guards/ barbed wire can be incorporated and its cost is to be realised from user agency.
3. By remaining with in the total annual financial outlay operations can be changed in a site specific manner after recording reasons in writing by DFO after his personal site inspection.
4. In exceptional cases if site treatment requires some additional expendiure it shall involve a prior approval from competnt authority after personal inspection and certificate by DFO along with recommendation from CF.
