

Location wise Justification for the project in the Forest Area

Sl. No.	Proposed Reach	Merits/Demerits	Alternative Alignment	Justification
1	R&B road almaspur to Guntapallicheruthanda in yellaredypet Mandal	This path is located in the forest area and it is the only alternative to approach the village	There is no other alternative alignment	The proposed Reach is only the feasible alignment of road which will become shortest road for the public. However the road is going through reserve forest area as per the topo sheet submitted
