

Distance of the Proposed diversion area from the Protected Areas

&&&&&

The proposed 765 KV DC Power Transmission Line is passing in different reserve forests of Badvel, Onipenta and Porumamilla Ranges. The Range wise proposed diverted areas are as follows.

Sl. No.	Range	Beat	Compt. No	Total area proposed for diversion in Ha
1	Porumamilla	Tekurpeta (Kavalakuntla Extn. & A RF)	252 & 253	23.162
2	Badvel	Boyanapalli (Ethirajupalli CA Block)	1173	3.178
3	Badvel	Jangamrajupalli (Bunglow bodu locality)	--	2.680
4	Badvel & Onipenta	Jangamrajupalli & Gangayapalli Beat (Kancherlamoram Extn. RF)	265, 266 & 156	27.744
		Total		56.764

1) Compt. No. 252 & 253 of Tekurpeta Beat, Porumamilla Range

The proposed 765 KV DC Power Transmission Line is passing in Kavalakuntla Extn. & A RF, Compt. No. 252 & 253 of Tekurpeta Beat of Porumamilla Range. As per the area statement of the Corridor, the transmission line is not passing through the Tiger Corridor area / WL Sanctuary / National Park. The transmission line is passing at a distance of 23 Km away from the boundary of Tiger Corridor area, 32 Km from the boundary of Sri Lankamalleswara Wildlife Sanctuary and 37 Km from the boundary of Sri Penusila Narasimha Wildlife Sanctuary. The proposed area is not falling in Eco Sensitive Zones of the above said Wildlife Sanctuaries.

2) Compt. No. 1173 of Boyanapalli Beat of Badvel Range

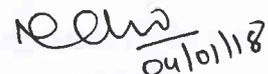

The proposed 765 KV DC Power Transmission Line is passing in Ethirajupalli Block, Compt. No. 1173 of Boyanapalli Beat, Badvel Range. As per the area statement of the Corridor, the transmission line is not passing through the Tiger Corridor area / WL Sanctuary / National Park. The transmission line is passing at a distance of 9.10 Km away from the boundary of Tiger Corridor area and from the boundary of Sri Lankamalleswara Wildlife Sanctuary and 15.60 Km from the boundary of Sri Penusila Narasimha Wildlife Sanctuary. The proposed area is not falling in Eco Sensitive Zones of the above said Wildlife Sanctuaries.

3) Bunglow Bodu Locality, Jangamrajupalli Beat, Badvel Range

The proposed 765 KV DC Power Transmission Line is passing in at Bunglow Bodu locality, Jangamrajupalli Beat of Badvel Range. As per the area statement of the Corridor, the transmission line is not passing through the Tiger Corridor area / WL Sanctuary / National Park. The transmission line is passing at a distance of 0.067 Km (67 Meters) away from the boundary of Tiger Corridor area and Sri Lankamalleswara Wildlife Sanctuary. The proposed area is falling in Eco Sensitive Zone of Sri Lankamalleswara Wildlife Sanctuary.

4) Compt. No. 265, 266 of Jangamrajupalli Beat of Badvel Range and Compt. No. 156 of Gangayapalli Beat of Onipenta Range.

The proposed 765 KV DC Power Transmission Line is passing in Kancherlamoram Extn. RF in Compt. No. 265 & 266 of Jangamrajupalli Beat of Badvel Range and in Compt. No. 156 of Gangayapalli Beat of Onipenta Range. The transmission line is passing through the Tiger corridor area and it is also passing at a distance of 0.930 Km away from the boundary of Sri Lankamalleswara Wildlife Sanctuary. The proposed area is falling in Eco Sensitive Zone of Sri Lankamalleswara Wildlife Sanctuary.
