JOINT INSPECTION REPORT

Joint inspection of proposed construction of Link road to village Dhabat GP Totu Teh. & Distt. Shimla was carried out by the undersigned officers on dated 15-10-2020 at 11 A.M. 3 Nos alignments were carried out at site and No 1 was found most suitable in comparison to other alignments:-

Alignment No:-1 This alignment covers most of the population and involvement of forest land is also less. The local public of the area agreed for this proposal.

Alignment No:-2 The grade of the road is not as per specification and public also objected to proposal as it was not covering the habitation.

Alignment No:-3 This alignment was also not found feasible and involves more forest land and entire population was also not covered.

Hence the alignment No-1 has been most suitable and acceptable to all. So this alignment has been finalised, which is passing through govt/forest land. The proposed road will pass through forest land in Moja Gurshali tehsil & Distt. Shimla (H.P) comprising in following Khasra No

Sr.No	Khasra No	Kind of Land as per Revenue Record	Class of land as per Record	Area in Ha.	No of Trees	Remarks
1	73/1	Government/Forest		00-03-86		
2	81/1	-do-		00-00-56		
		TOTAL AREA		00-04-42		

The team of officers inspecting the proposed site for the construction of Link road to village Dhabat GP Totu Teh. & Distt. Shimla Have further observed that the existing road does not have any water source temple cremation, ground and other common purpose infrastructure and preferred to refer the case for seeking approval of competent authority under F.R.A. for non forestry purpose
