Reference: -

Your office letter no. FCA/6-8 6984 dated 2/12/2021

In compliance to your office letter under reference (Copy Enclosed) please find herewith the subject cited proposal after attending the observation raised by your office. The point wise reply to the observation is as under:-

Point No. 1:- Muck to be generated during construction activities is to be utilized for filling up the back fills against the proposed R/ wall & B/ wall etc. As there is level deference of 30 mtr between the top most & lowest point and site is to be developed by cutting and filling method, as such no muck will be disposed off from the STP site and hence no separate dumping site is involved in the proposal. The certificate regarding this is attached at page no. 39.

Point No. 2:- The certificate depicting distance from the nearest protected area has been attached at Page No. 49.

Point No. 3:- Certificate regarding village likely to be benefited directly from the proposed project is attached at page no. 48.

It is therefore, requested that the proposal may please be examined and forwarded to concerned higher office for obtaining permission under Forest (Conservation) Act, 1980.
