Sub:- ISSUE OF NO OBJECTION CERTIFICATE.

Reference your letter No. VTLEPC/TEL/UK/02 dated 30.10.2017.

No objection certificate is issued as per following conditions in Cantonment Board area:-

1. The permission is given only for Saharanpur Road and Mussoorie Road inside Cantonment area and not for inside market area.
2. Restoration charges for road damage being paid to Cantonment Board as per demand note raised at our end. In case of any further damage done beyond scope of earlier issued DN, revised DN may be issued at our end after a joint survey. It will be paid. Immediate repair at your end shall be done through PCC or any other available method with you.
3. Road crossing will be filled by you immediately and PCC done. You will try and do it at night with proper intimation to authorities.
4. Utilities damage if any will be repaired immediately so that inconvenience is minimized to the public.
5. It will be taken care that no damage happens to any Army property.
6. In case of road damage, it will be repaired through PCC immediately.
7. Preferably it will be attempted at night under intimation to authorities. If done during flow of the traffic then half road will be done at quick pace and restored and then other half will be done.
8. Men at both ends will be placed with red flags to manage flow of traffic in proper way. Safety Cones along with warning tape will be placed along the excavated portion.
9. At narrow stretches attempt will be made to work at night when traffic flow is less. The daily excavation is expected to be between 150-250 Mtrs. Trenches will not remain open for more than 24 hrs as that is the minimum time required for ducting and back filling of trench.
10. No damage of trees will be done in Cantt. area if it happens penalty will be imposed.
11. In future the Board may decide any charges on your business, you are liable to pay the same, failing which your NOC will be rejected.

In case of failure of any kind of breach of the condition the No Objection Certificate will be treated as cancelled.
