

JOINT INSPECTION REPORT

(For the forest land to be diverted under FCA)

The area proposed for the diversion of government land for the **CONSTRUCTION OF KANGRI TO JEGHALI ROAD VIA JARAL KM. 0/00 TO 2/800.** by Public Works Department Himachal Pradesh Shimla (hereinafter referred as User Agency), has been inspected on 11-12-2020 by the Sub-Divisional Magistrate Sunder Nagar Mandi accompanied by the Divisional Forest Officer, Forest Division Suket and Executive Engineer HPPWD Sunder Nagar. The proposed site for the diversion is situated in revenue village DPF Gaihru and Jaral Tehsil Sunder Nagar District Mandi H.P. and comprises of land in khasra number 18/1, 18/2, 18/3, 212/1, 496/1, 496/2, 496/3, 328/1, 309/1 measuring 1.6676 Hac. The legal status of the land is classified i.e. Charagah Bila Darkhtan, Jungle mehfuja Mehduda, Gair Mumkin Nala, Charagah Bila Darkhtan, Gair Mumkin Rasta in the ownership of Govt. of H.P. under the possession of Mehkma Janglat (Forest Department).

The site inspection revealed that no rare/endangered/unique species of flora and fauna was found on the spot and no protected archaeological/heritage site/defense establishment or any other important monument was found in the area. It has also been found that the user agency has not violated the provisions of the Forest Conservation Act, 1980 and no work has been started without proper sanction. The proposed alignment for the said road has been carefully finalized after considering a total of three no. alternate alignments in all the cases a portion of the road shall pass through the forest area. The 2nd and 3rd alignment has been rejected because of extreme road length and more forest area involved. Also more number of trees are involved in 2nd & 3rd alignment compare to 1st one. The proposed alignment 1st one seems to be an appropriate area and technically feasible alignment. Ultimately for the 1st alignment is finalized and adopted for the construction of proposed road which is most economical feasible best and is over all public interest as well easy for construction in all respect. The proposed land seems to be an appropriate area and technically feasible site.

Sub-Divisional Magistrate,
Sunder Nagar
Distt. Mandi (H.P)

Executive Engineer
Sunder Nagar Division
