**2. Asstt. Commissioner(Revenue) office No:CLA/ACR/2021-22/245-5-46 dated:28-10-2021**

Sir,

Kindly refer the subject cited above. In this context, it is submitted that the Forest Clearance Case was uploaded on PARIVESH Portal but the same has been returned with the EDS regarding insufficient proposed dumping sites on state land.

The Asstt. Commissioner Revenue had identified 10 number dumping yard vide above cited reference No 2, but the muck generated can not be accommodated by these 10 identified dumping yards and 6 additional dumping yards of 80\*80m approx. are required to be identified in State land in villages Gundali, Thanole, Chakalhawalan, Pattian, Ladha, Narkote for disposal of muck.

It is as such requested to depute the field staff of Revenue Department for joint verification with the field staff of PMGSY Department so that proposed additional dumping sites could be identified and acquisition process could be started and Forest clearance case could be re-submitted.

Matter may be treated as most urgent.

Yours faithfully

(Er. Satbir Singh)
