

Present Status of the Benefited Villages.

Presently the villagers of the village Sukhi & bhalgaon have to walk through a distance of 3 to 5 Km to meet their daily needs as there is no road connecting the village. Due to the non-existent of any road connectivity the lives of the villagers are in constant danger as there are no medical services which could be provided to them even in cases of emergency such as maternity.

Further, due to non-existent of the road connectivity the area remains backward in all respects. The main occupation of the villagers residing in this village is animal husbandry and agriculture.

The villagers are forced to carry their cultivated crops such as Aloo, Rajma, Green Vegetable etc. on their feet or by mules to the nearby market. These villages are also Schedule Tribe villages. This is to mention that these villages are very near to China Boarder so that the existing of this road become so important.
