

**Site Inspection Report of proposed IOCL Botling Plant at village Masudanpur  
on Bhagalpur - Hansdiha Road Distt- Banka (Bihar) By CF BHAGALPUR**

Date of inspection :- 27.12.2018

The proposed Project (Forest land) is situated at Bhagalpur-Hansdiha Road. The road side plantation is declared as protected forest. In proposed project area, protected archaeological/ heritage site, defence establishment or any other important monument is not located. Forest area needed for diversion is around 0.1239 ha. Which is negligible and unavoidable and use as approach Road. It is needed for welfare for the public. Hence the proposal may be accepted.
