

RECOMMENDATION OF THE
DISTRICT FOREST OFFICER, ARIYALUR DIVISION, ARIYALUR.

Legal status of forest land proposed for Diversion : Periyavalayam Reserved Forests.

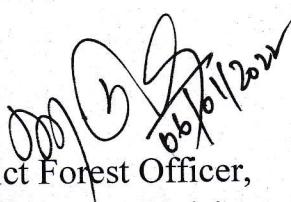

I have inspected on 05.01.2022 the proposed site for establishment of Government Arts and Science College, Jeyankondam in Periyavalayam Reserved Forests.

- ❖ The area proposed by the User Agency is 0.95 Ha land there is no alternative land for the proposed project except forest land.
- ❖ The User Agency has not started any work proposed in Periyavalayam Reserved Forests.
- ❖ This project involves the establishment of Government Arts and Science College, Jeyankondam in total area needed is 0.95 Ha in Periyavalayam Reserved Forests.
- ❖ The proposed area is having plain surface and E.H Plantation raised by Tamil Nadu Forest Plantation Corporation, Vriddhachalam.
- ❖ The proposed area there is no spontaneous trees in the proposed area.
- ❖ The proposed area for diversion does not have any archeological and heritage related monuments.
- ❖ There is no Tribal Rights affected in this project
- ❖ Flagship species like Tiger and Elephant are not available in this Reserved Forest. Hence there is no threat to major wildlife species.

The diversion is proposed for a project which may feasible to the students strength from all areas and around Jeyankondam Taluk more than 3000 students of surrounding villages and towns will be benefitted by this college. This socio-economic and education of the local people could be increase.

Diversion of the particular establishment of Government Arts and Science College, Jeyankondam may not cause much disturbance to wildlife and will not adversely affect eco system.

Taking into consideration of the facts stated above, Hence I recommended the user agency's proposal for diversion of the Forest land in Periyavalayam Reserved Forests.
