

## SITE INSPECTION REPORT

*(For 132/33 kv substation diversion of Forest land under FCA in Nawatoli (Kolebira))*

A proposal of 132/33 KV Kurdeg GSS Sub-station, bearing No. FP/JH/Substation/35830/2018 has been received by this office from **Nodal Officer, Ranchi** for diversion (Under FCA-1980) of jungle-jhari land measuring of 3.32 ha. for non forestry purpose. The subject envisages the use of jungle-jhari land for construction of **Substation**. The site inspection of the land involved in the proposal has been done by me on dated **10.07.2019**. On inspection of the site, it is found that the land required by the user agency is jungle jhari land measuring **3.32 ha**.

The requirement of jungle-jhari land as proposed by the user agency in col. 2 of Part-I is unavoidable and is barest minimum required for the project.

There is no rare/endangered/unique species of flora and fauna found in the proposed area.

There is no protected archaeological/heritage site/defence establishment or any other important monument is located in the area.

The user agency has not violated the provisions of Forest (Conservation) Act, 1980 and no work has been started without proper sanction.

The proposal for diversion of jungle-jhari land is required for construction of Power Substation in Nawatoli (Kolebira) which will facilitate the Power supply to various demand centre, industries & domestic use. Power supply will help to enhance the production of various industries and provide facilities of irrigation for farmer situated in Simdega District.

In the larger interest of the Nation and the State, the submitted proposal for diversion of jungle-jhari land measuring 3.32 ha. for establishment of power substation is being forwarded with recommendation for acceptance.
