

PART-III

(To be filled up by concerned Chief Conservator of Forests)

14. Whether Site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/No). If yes, the date of inspection & observation made in form of inspection note to be enclosed: -

The forest land proposed for diversion is located in Jamua Range of Giridih West Forest Division and Gawan Range of Giridih East Forest Division. Site inspection was done by the undersigned on 02.07.2024 in the presence of forest officials & officials of Transmission Projects, Transmission Circle Deoghar. The proposed site for diversion constitutes 54.407 ha. of forest land, out of which 41.232 ha. is notified protected forest (PF) & 13.175 is Jungle-Jhari land. This proposal received from DFO, Giridih East Forest Division and DFO, Giridih West Forest Division pertains to the construction of 132 KV D/C Jamua-Gawan Transmission line. No rare endangered species of flora and fauna is noticed in this area, although occasional elephant movement is observed by the villagers in the area. No protected area/archeological heritage site/ defence establishment or other important monuments are located in the concerned area. The felling of trees for the proposed activity shall be kept to the bare minimum essential for the project.

15. Whether the concerned Conservator of Forests agree with the information given in Part-II and the recommendations of Deputy Conservator of Forest: -

I agree with the observations and recommendations of Deputy Conservator of Forest, Giridih East Forest Division and Deputy Conservator of Forest, Giridih West Forest Division with following conditions:-

(i) A wildlife Management Plan will be prepared by the user agency in consultation with concerned DFO which will be implemented at the cost of user agency after the approval of PCCF Wildlife Cum Chief Wildlife Warden Jharkhand

(ii) A Soil Conservation Scheme will also be prepared by user agency with consultation with concerned DFO and will be implemented on project cost.

16. Specific recommendation of concerned Conservator of Forests for acceptance of otherwise of the proposal with detailed reasons: -

The proposed Forest Land of 54.407 Ha for construction of Transmission Line may be considered for diversion in national interest.
