

**SITE INSPECTION REPORT OF**  
**CHIEF CONSERVATOR OF FORESTS, DINDIGUL CIRCLE, DINDIGUL.**

I inspected the forest land in Vangal RF proposed for water supply improvement scheme to Manmangalam and other 71 habitations in Karur District on 11.03.2019 along with Forest Range Officer, Karur and Assistant Engineer, TWAD Board, Karur. The forest land required for construction of Pump room (0.0012Ha) and for laying of water supply pipe line to a length of 500m (0.05Ha) is situated in Vangal RF of Karur Range of Karur Division. Total extent of forest land required for the project is 0.0512 ha. There is no tree growth in the proposed forest land. There is no other suitable land available for this project except the forest land.

The user agency may be permitted to implement the water supply improvement scheme in the proposed forest land in Vangal RF as this project will reduce the water scarcity in Manmangalam and other 71 habitations in Karur District.

  
Chief Conservator of Forests  
Dindigul Circle, Dindigul

**Proposal seeking clearance for laying of Pipe line from CWSS to Manmangalam and 71 other Habitations in Karur Division, Dindigul Circle**

**Part- III**

(To be filled by the concerned Chief Conservator of Forests)

14	Whether the site, where the forest land involved is located has been inspected by concerned Chief Conservator of Forests (Yes/No). If yes, the date of inspection and observations made in form of inspection note to be enclosed.	:	Yes. The forest land proposed for the project was inspected by the Chief Conservator of Forests, Dindigul on 11.03.2019. A copy of site inspection report is enclosed.
15	Whether the concerned Chief Conservator of Forests agrees with the information given in Part II of Form A and the recommendations of the Deputy Conservator of Forests.	:	I agree with the recommendations of the District Forest Officer, Karur.
16	Specific recommendation of concerned Chief Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.	:	The forest land proposed for the project is barest minimum and no other suitable land is available for the project. As this project will reduce the water scarcity in Manmangalam and other 71 habitations in Karur District.* No disturbance to ecosystem and essential for the people. Hence, I recommend the proposal.
