SITE INSPECTION REPORT OF DRILLING LOCATION DGR OF CF, EAC, JORHAT

The proposal for development of Drilling Location DGR of Oil is located inside UDRF, West Block under Digboi Division was inspected by the undersigned alongwith the DFO, Digboi Division and OIL Officers on 11-10-2020 and report thereof is furnished as under.

The proposed diversion area is 3.411 ha and falls under Upper Dehing Reserve Forest, West Block under Digboi Division. During my inspection to the site it was observed that the proposed area has an old well. The location of old well has no trees while the periphery has trees and vegetation. The proposed site is not a part of any Protected Area but falls within the Eco-Sensitive Zone of Dehing Patkai Wildlife Sanctuary which is the nearest Protected Area within Assam. The proposal is a non-linear project. The project aims to drill new wells as per the proposal within the boundary of 3.411 ha of land.
