

#### PART-IV

(To be filled in by the Nodal Officer or Principal Chief Conservator of Forests or Head of Forest Department)

17. Detailed opinion and specific recommendation of the State Forest Department for acceptance or otherwise of the proposal with remarks. (While giving opinion, the adverse comments made by concerned Conservator of Forests or Deputy Conservator of Forests should be categorically reviewed and critically commented upon).

The proposal pertains to construction of the Suspension Footbridge across the Simsang River at Chisobibra forest village, inside Rongrenggre Reserve Forest. The proposed bridge will improve the connectivity to the Chisobibra forest village and other revenue villages with minimal footpath connectivity throughout the year. I therefore, concur to the views of Divisional Forests Officer (T) and Conservator of Forests (T) for diversion of the forest land for the aforementioned purpose.

**Hence the proposal is recommended.**
