Subject:

Proposal for seeking prior approval of the Central Government under Section 2 (1) (ii) of Van (Sanrakshan Evam Sam vardhan) Abhiniyam, 1980 in favour of sh. Tapender Singh Saini, for non-forestry use of 6.2255 ha. of forest land for extraction of sand Stone and Bajri from Yamuna River, within the jurisdiction of Paonta Sahib forest division, Distt. Sirmour in the State of HP (Online proposal No. FP/HP/Min /304477/2017) regarding.

Sir,

Please refer to GoI MoEF & CC letter no. 8C/HP/05/27/2021/FC dated 22.11.2024 & in continuation my application on dated 03.12.2024, on the subject cited above.

In this regard, it is submitted that due to following reasons to the reply to EDS of GoI after lapse of one year is given as under:-

1. **Requirement of Comments from Chief Wildlife Wardens (CWLWs):** The comments from CWLWs of Uttarakhand and Haryana were necessary as per the observations of GoI dated 28-10-2022. Coordinating with CWLWs of two different states required significant time due to administrative processes and procedural complexities. The process required involvement and coordination across multiple states (Haryana, Uttarakhand, and Himachal Pradesh). Such multi-state coordination inherently requires more time due to differences in administrative processes and priorities
2. **Permission from Mining Department:** Delay is also caused due to delay in inspections by mining Department and in getting Distt mining plan (DSR report).

Moreover, the I consistently followed up with the concerned authorities to procure the required information and certificates. Both undersigned (User Agency) and the State Government were proactive in their efforts. Kindly reconsider these observations and send to higher authority to grant me the required clearance at the earliest please.

I will always be grateful for your favour.

Tapinder Singh Saini
(User agency).
