We, M/s Reliance Jio Infocomm Limited carrying out laying of underground Optical Fibre Cable to improve communication networking 4G facility at National Level.

As per the advice of Forest Department, we have furnished forest clearance proposal through online in the web portal of www.forestclearance.nic.in and proposal is assigned as FP/TN/Others/30206/2017. Initially we submitted forest clearance proposal for laying the underground Optical Fiber Cable along Dharmapuri to Anchetty road of Hogenakkal stretch vide reference 1st cited above.

Laying of OFC through this forest area is an important step for the better connectivity of 4G network in this region, bordering Karnataka State. There is no possibility of laying OFC except the forest areas proposed, because the forest areas are continuous stretch and this road section passes through the forest areas as admitted right of way leading to Dharmapuri to Anchetty route of Hogenakkal stretch.
