

The details of charges on receipt of permission from Govt. as per draft policy guidelines to be deposited by the applicant i.e. M/s Mayar Infrastructure Development Pvt. Ltd. has been worked out on NP-1 & 2, totaling to be **Rs. 120.722 lacs** including cost of land. Since the discharge of Gurgaon Canal at proposed/demanded Road site is more than 350 Cs, hence as per draft policy guidelines Govt. is competent to accord permission.

Govt. may please be requested to accord "Permission for developing and maintain the W.B.M. Road on right side of Gurgaon Canal from RD 66500 to RD 66900 by M/s Mayar Infrastructure Development Pvt. Ltd." to be constructed at their own cost after depositing the amount as per draft policy guidelines with the Irrigation Department (on receipt of permission) with the requisite conditions on non-judicial paper from the applicant as explained on NP-2 from Sr. No. 1 to 8 and Annexures-A, B & C of the draft policy guidelines.
