

GANGA BAWARI TANK PROJECT

Muck Mangement

Statement of muck generated in Dam excavation in forest area of Ganga Bawari

(A) Dam Work :-

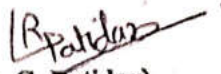

S. No.	Description	Qty. of Cutting	Qty of filling	Remark
1	2	3	4	5
1	C.O.T.	54757.12	54757.12	-
2	Earth work of Dam	171571.00	171571.00	-
	Total	226328.12	226328.12	-

Total Quantity of muck generated in Dam : 226328.12 Cum

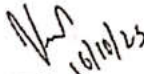

Total Quantity of muck utilized : 226328.12 Cum

Hence no muck is generated in Dam : Nil

Based on above calcuation quantity of cutting equal to total filling quantity Dam work hence it is certified that no muck generate in Dam excavation work cutting quatity will be utilized in filling portion of Dam.
