Sub: Forest diversion Proposal for 13.015Ha of Forest land in Jhunjhunu Forest division for Non Forest purpose i.e. Construction of 400kV D/C Babai (RRVNL) – Bhiwani (PG) transmission Line constructed by NRSSXXXVI Transmission Limited.

Ref: 1. Our Proposal No FP/RJ/TRANS/28622/2017 dated 12/08/2017.  
2. EDS raised by your good office एफ( )सर्वे/उवसद्मु/2017/ई.डी.एस.-I dated 12/12/2017.

Dear Sir,

In reference to our forest diversion proposal submitted earlier on MoEF portal (Proposal No FP/RJ/TRANS/28622/2017 dated 12<sup>th</sup> August 2017) for 13.015 Ha of forest land in Jhunjhunu Forest division for construction of 400kV D/C Babai (RRVNL) – Bhiwani (PG) transmission Line constructed by NRSS XXXVI Transmission Limited and EDS raised by your end dated 12/12/2017 vide letter in reference, we are hereby resubmitting the revised proposal after complying all the compliance.

The compliance report is as below:

Sl.No	Compliance raised as per your office letter in reference	Compliance Report
1	The Jamabandi submitted is not correct, it is not matching the village maps	Revised Jamabandi for village Pupurana and Gadrata are enclosed and updated online.
2	Plot No 1004 coming under village Badalwas is coming under the forest area	We have included the plot 1004 in Badalwas village in the diversion proposal and the area of the same is 0.080Ha.  The same has been updated online on MoEF&CC portal.
3	The digitalization of Pupurna village is not proper. Need to rectify.	We digitalized the map of Pupurna village and during the course of that a plot 338 has been identified to be forest as per record of village.  We have included the same plot in our diversion proposal whose area is 0.376Ha

In the context of the above, total forest area affected due to 400kV Babai Bhiwani Transmission Line has changed to 13.015 Ha in comparison to 12.559Ha. We have changed the proposal online and the hard copies of the same are updated for reference and necessary action.
