

Name of Project : Rural Electrification Works Under DDUGJY/PMMP Scheme In Udhampur

Construction of 11 KV line under DDUGJY/PMMP Scheme in Udhampur

Justification for location of 11KV Line in Forest Area

The final alignment of 11KV Line has been done in such a way that the minimum forest area is required for construction of 11 KV /LT Lines in remote/rural area. The forest area involved in this projects is in patches of forest land which is unavoidable .

Power Sector has played a very vital role in Socio - Economic Development . The construction of 11KV /LT feeders shall improve the quality of living in remote/rural areas of Udhampur Distt. , Ministry of Power, Govt of India & J & K govt. is taking keen interest for electrification in remote/rural areas. 11KV /LT lines are environment friendly and do not involve any disposal of solid effluents & Hazardous substances on land , air or water. The implementation of project shall provide access to electricity to rural households in Udhampur Distt.
