

FORM – A

**Form for seeking prior approval under section 2 of the proposals by the State
Government and other authorities
(For Up-gradation of the existing BT Road)**

PART-I

(To be filled up by user agency)

User Agency: Executive Engineer, PR,PIU, Division, Kakinada.

1. Project Details:		The total length of the proposed road from Vetukuru to Siripuram of Maredumilli mandal is 21.19 km length with existing BT surface.
(i)	Short narrative of the proposal and project/scheme for which the forest land is required.	Diversion of 13.28 ha. land for Up-gradation of the road from Vetukuru to Siripuram of Maredumilli mandal through Comp. No. 741 of Pujaripakalu RF, Maredumilli South Beat and Comp. No.263 of Maredumilli RF, Maredumilli South Beat, Rampachodavaram Range and Comp.No.333, 334 and 338 of Kota South-I RF and Comp.No.150 of Tadepalli RF, D.Velamakunta Beat, Sudikonda Range in Kakinada Forest Division in favour of Executive Engineer, PR,PIU Division, Kakinada under FC Act 1980
		The road work sanctioned / approved by Ministry of rural development in PMGSY (RCPLWE)grant under for Rs. 547.50 lakhs. The existing surface is BT surface and to up-grade the road and it is a shortest path to reach the mandal head quarters and the road serves total population of 4752 Vetukuru (627), Maddiveedu (258), Tadepalli (1146), Denduluru (305), D.V.Kota (528), (Vydapudi(311), Pedduru (247), Darawada(288), Dorachintalapalem(175), Narasapuram (398), Siripuram (469). As there is no proper transportation facilities the school going children are becoming Agricultural Labour. The basic occupation of the people in this area is Agriculture and is totally rain fed and collection and selling of forest produce. Thé main food crops are Paddy, ragi and vegetables like Brijal, lady fingers etc, and forest products like Tamarind, Honey etc. The crop yielding is generally very good and needs to be transported to the nearest marketing center i.e. Maredumilli, so as the formers shall get the better benefits and true value.
		This is the only road to provide medical aid to the people who are generally prone to Maleria and other general epidimics.
