

Certificate

Specific recommendation of the DFO.

The proposed forest area for development of Bio Diversity park Under capital city infrastructure projects in AP Capital Region in Compt. No. 126 of Nidumukkala Forest Block of Guntur Range, Guntur Division is essential.

Further a central nursery is existing from last 20 years with an extent of 3.00 Ha in the proposed area which cater the requirement of nursery for raising of plantations in and around the surrounding beats and distribution of seedlings to public. Nursery infrastructure has been fully developed in the Nursery centre where there is a borewell, pipeline, water tank etc., This area is quite essential to the department and needs to be excluded from the proposed diversion.

Hence recommended the proposal duly excluding the nursery site to an extent of 3.00 Ha.

Place .Guntur
