Date 16 DEC 2022

UNDERTAKING

REGARDING CERTIFICATE UNDER FRA, 2006

The Maharashtra State Electricity Distribution Company Ltd, Urja Bhawan, New Administrative Building, Baramati, District Pune Maharashtra is intending to seek an *ex- post facto* approval of the Competent Authority, under provision of Forest (Conservation) Act, 1980, for renewal of lease of Forest Land for continuing operations of existing 33 KV Sub- Station at Mahabaleshwar, District Satara.

The MSEDCL has applied to the District Collector, Satara for issue of NOC/ certificate under FRA, 2006 for the purpose of leasing of Forest Land, as described below:

Sr. No.	Village/ Tehsil/ District	Gut No./ Suy. No.	Area in Ha.
1	Mahabaleshwar	52 A	0.3716
Total			0.3716

However, it would not be out of place to mention that the lease of the proposed Forest Land was initially granted in 1974. No any claim of right, either individual or the community, has been recorded so far. Since, the Forest Land involved in the proposal is under continuous use and possession of the authorities of the MSEDCL (Erstwhile MSEB), the requirement of NOC/

certificate for settlement of rights of Scheduled Tribes and Forest Dwellers can be waived off.

The Maharashtra State Electricity Distribution Company Ltd., Baramati do hereby undertake to produce the necessary NOC/certificate issued by the District Collector, Satara under FRA, 2006, before the Forest Department/ other concerned Authorities, as and when received.
