Ref: MP/Pkg II/F&WL/250

Date: 26/08/2022

To,
Divisional Forest Officer
Gwalior Forest Division, Gwalior.

Sub-Division of 1.5684 Ha of forest land in Gwalior forest division for construction of Malanpur 220 kV - MES Gwalior 132 kV DCDS Transmission Line. (Forest Proposal - FP/MP/Trans/150916/2022)

Ref: EDS raised by IRO Bhopal vide letter 6-एमपीबी 025/2022-बीएचओ dated 17.08.2022 and Principal Chief Conservator of Forest (Nodal Officer), Bhopal letter 2953 dated 24.08.2022

Sir,

We would like to thank you and your good office for the support rendered to us till date on the above subject matter.

In reference to our forest diversion proposal for diversion of 1.5684 Ha of forest land in Gwalior forest division for construction of Malanpur 220 kV - MES Gwalior 132 kV DCDS Transmission Line having proposal no FP/MP/Trans/150916/2022, IRO Bhopal vide their letter 6-एमपीबी 025/2022-बीएचओ dated 17.08.2022 has raised EDS. We are hereby providing the compliance report against the same, which is as below:

Sl.No	EDS sought by your good office	Compliance report
1	No Objection Certificate of concerned departments (Railway, WRD etc.) shall be submitted.	Proposed transmission line is crossing NH 44 for which we have applied for NOC from NHAI. The application is in process. Application copy and Undertaking for providing the NOC is attached as annexure 1.
2	Detail Muck calculation and muck disposal scheme as approved by concerned DFO needs to be submitted.	Muck disposal plan is already submitted along with the proposal. We are hereby again enclosing muck disposal plan as annexure 2.
3	Justification for location of the project in forest land (Countersigned by DFO) needs to be submitted.	Justification was enclosed in the proposal. We are hereby again enclosing Project justification along with 3 alternative route KML as annexure 3.
4	Suitability certificate of CA land shall be submitted.	Requested to provide the same.
5	As per DSS analysis, about 0.53 Ha of forest land not included in proposed diversion area. However as per google image, this area seems agriculture land. It needs to be clarified.	AS per Joint site inspection along with your good office, it was verified that there is no forest other than that area proposed for diversion in our Transmission line route. Google image with Compartment boundary and Route is enclosed as annexure 4.

6	It is not clear from the proposal that what is before and what is after. Proposed alignment shall be clarified.	The project Malanpur 220 kV - MES Gwalior 132 kV DCDS Transmission Line is starting from Malanpur in Bhind District and terminating at new substation to be constructed in Gwalior. The complete route alignment KML was already uploaded in Part I. The same is also marked in SOI topomap already enclosed with Proposal.
7	Scheme for dwarf/ medicinal plantation scheme need to be submitted.	Requested to prepare the dwarf/ medicinal plantation scheme in 3 mtr corridor below each conductor as trees will be felled in the same as per MoEF&CC guidelines. Also 1 approach road need to be left vacant for Maintenance purpose.

In reference to the above, we request your good office to process the EDS sought by IRO Bhopal, at the earliest.

Looking forward for your continue support.

Thanking you

Syed Sharique Imam
