1	Project Details	
(i)	Short narrative of the proposal and project/scheme for which the forest land is required.	The project for construction of road from "Khourgali to Radnote" (Package No : JK14-519) is sanctioned under PMGSY. The length of the road is 13.92 km. The road takes off from village Khourgali and is to village Radnote. The proposed road will benefit total population of 497 souls as per 2011 census. The people of these villages will be socially and economically benefitted after the completion of this road as they do not have access to any motorable road till date and also these villages will be directly connected to their District and Block Headquarters. Along the proposed alignment of the road which has been selected keeping in view the fact that maximum benefit reaches the habitants of these villages, forest area is also involved which cannot be avoided as the proposed alignment is the only feasible alignment providing vital connectivity to the habitants.
