To

**The Nodal Officer
Additional Principal Chief Conservator of Forests
Forest Conservation
Aranya Bhavan
BENGALURU - 560003**

Respected Madam / Sir,

Sub: Diversion of 1.84 ha of Forest land in various villages of Koppal Division & District for laying of Water pipeline, Transmission Line, Sub Station & Break Pressure Tank in favour of M/s AARESS IRON & STEEL LIMITED, Hosapete. Online FC proposal No: FP/KA/IND/26447/2017.

Ref: Your Office Letter No: A5(4).GFL.CR.13/2017-18 Dated : 09-10-2017

With reference to the above subject, your office letter dated 09.10.2017 noticed some shortcomings in the submitted Form-A online FC application. Now we are herewith furnishing point wise details and attached documents uploaded in the online FC system.

Details are as under:

Sl. N O	Shortcomings	OUR REPLAY
1	B-2.3 Village wise break up details: (i) Village & Survey number details are uploaded for all the villages except those of Holemudlapura & Lingapura Villages. Survey number details for Holemudlapura and Lingapura villages also need to be uploaded. (ii) As per GIS tools based report of ICT cell, the proposed pipeline runs only through forest areas of Lingapura and Chikkakasinkandi villages. However, Holemudlapura village has also been included in the break up. Please re-verify the village survey no. wise forest land requirement and provide the correct breakup in this Item.	(i) As Holemudlapura and Lingapura villages are submerged into Tungabhadra dam, Sy.No details of above villages prior to the submerge are not available. The endorsement from Land Records and CADA Office, Munirabad are uploaded for your ready reference. (ii) Yes Proposed pipeline passes through Holemudlapura village also. As this village is submerged into TB Dam, Sy.No details are unavailable with Land Records and CADA departments. GIS points for Holemudlapura has been taken and uploaded .
2	C(iii): Copy of survey of India Toposheet indicating boundary of Forest land proposed to be diverted. Not uploaded. Needs to be uploaded.	Re-uploaded the survey of India Toposheet

Office : +91 8394 232002, 232003 Fax: +91 8394 232333, 232444 Email: email@aaresssteel.com

Bangalore Office : 36, 7th Main, Vasant Nagar, Off Cunningham Road, Bangalore - 560 052

Tel. No.: 080 64500745, 080 22371204 Telefax: 080 22371205

3	<p>C(iv): Scanned copy of the Georeferance map of the forest land proposed to be diverted prepared by using GPS or Total Station.</p> <p>Scanned copy of the Geo referenced map has been uploaded in "Additional Information Details" Scanned copy of the Geo referenced (Village) map of the forest land proposed to be diverted needs to be uploaded in its proper to be diverted needs to be uploaded in its proper field, i.e., C(iv) only.</p>	Uploaded scanned copy of the Geo referenced map in SI No C (iv).
4	<p>C(ii)(b) Maps of forest land proposed to be diverted.</p> <p>AS per the ICT report, proposed transmission line connecting sub-stations seems to be abruptly ending in the middle of the forest area. Therefore, the alignment of transmission line needs to be checked again. Correct GPS points and KML file of the Transmission line are required to be uploaded after proper scrutiny only.</p>	Uploaded the map as desired.
5	<p>D(i) Copy of note containing justification for locating the project in forest land</p> <p>A Note justifying the requirement of transmission line for proposal water pipeline is given. But the justification for locating the project inside forest land is lacking. Proper justification for locating the project in forest land needs to be uploaded here.</p>	Justification enclosed (Annexure 2)
6	<p>L. Details of land identified for Compensatory Afforestation (iv) (f) copy of ownership proof.</p> <p>Uploaded, but does not open because of use of special characters in naming of file. Copy of the Ownership proof with a valid file name(without special characters) needs to be uploaded.</p>	CA land ownership uploaded with revised file name.
7	<p>L(v) Scanned copy of the map of the land identified for creation of compensatory Afforestation (CA) prepared by using GPS or Total Station.</p> <p>(i) Uploaded. However, as per the ICT cell report based on GIS tools, it is noticed that the proposed CA land is partly an existing Plantation and partly a rocky terrain with quarrying activities. The exact boundary of CA land (1.84 ha) pertaining to present proposal needs to be demarcated in the map (and also in the field later) along with uploading of KML file and GPS points of all corners.</p> <p>(ii) Further, the eligibility of the CA land identified by the UA needs to be verified and accepted by the forest department. Hence it is advised to consult the local forest officials before finalizing the CA land and uploading on the web portal to avoid delays in processing at later stage.</p> <p>(iii) As per G.O.No FEE 88 FLL 2016 dated 31-08-2016 with regard to CA land for private projects, only the private lands adjacent to existing forest OR private enclosure within forest need to be considered for CA purpose. The said Government order is applicable to all private projects</p>	<p>(i) We have identified and mutated the Non Forest Land handed over to Forest Dept Vide DC order No: NO/LND/CR/324/11-12 Dt: 09.03.2012 area of 12 Acres, in Sy.No.131/BP/1 Chatnihalli Village, Harapanahalli Taluk, Davanagere District. We have marked 1.84 Ha non forest land in the map along with KML file and GPS points.</p> <p>(ii) Eligibility of CA land: DCF Davanagere has given suitable certificate for the above CA land and is uploaded.</p> <p>(iii) This CA land has mutated prior to 2016 notification. Hence, the referred Govt order is not applicable in this case.</p>
