840/2796/18

Dated 13-5-18

From

The Engineer-In-Chief,
Irrigation & Water Resources Department,
Haryana, Panchkula.

To

The Superintending Engineer,
YWS Circle, JIND

Subject: Single file Note for construction of Road from Narwana Road to Zypsum Factory along Julani Minor on Right Side (C.M. Announcement Code No. 17917 dated 11.12.2016).

Reference: Your office U.O. No.73 dated 16.02.2018. qwe

As recommended by you vide your single file under reference on the above cited subject, NOC to Municipal Council Jind for construction of Road from Narwana Road to Zypsum Factory along Julani Minor on Right Side (C.M. Announcement Code No. 17917 dated 11.12.2016) is hereby accorded by Engineer-In-Chief, Irrigation & Water Resources Department, Haryana, Panchkula subject to the following conditions:-

1. The Municipal Council Jind shall deposit the processing fees of Rs. 10,000/- and caution deposit of Rs. 1,00,000/- before execution the work. The 50% of the caution deposit shall be refunded after satisfactory completion of the work and restoration of the canal/drain/river/rivulet at the construction site and the remaining 50% shall be non-refundable and to be kept by the department as security till the works remains in position.
2. The bank guarantee for caution deposit would be chargeable as mentioned in Annexure D (Schedule of charges).
3. The ownership of land of Julani Minor will remain with Irrigation & Water Resources Department.
4. The NOC would be one time and for road construction on right side of channel only.
5. The design section of Julani Minor will be maintained by Municipal Council Jind and not be disturbed during the execution of work.
6. The minimum top level of the link roads should be at T.O.L of the channels and suitable berms should be provided on both side of metaled Link Road.
7. The proper drainage arrangement should be adopted for the road.
8. Suitable width be kept for spoil bank of channel
9. The work for construction of road should be allowed during non-rainy season as well as during the closure period of the channel.
10. The maintenance of road & channel in this stretch and protection measures will be taken by Municipal Council Jind during construction of road and for all times to come.

11. In case of any breach occurred in the bank, the Municipal Council Jind shall be responsible for restoration of any damages arising thereof at their own cost.
12. All the dismantled material, dabbies/muck shall be removed by Municipal Council Jind within 72 hours at their own cost.
13. The Municipal Council Jind will tender an affidavit in the respect that they will bear the loss caused due to any damage to the Irrigation & Water Resources Department property and its consequences effects.
14. The suitable berms should be provided on both side of metalled link road.
15. The cost of making diversion, if any required its removal and any alternation where ever necessary shall be born entirely by the municipal council Authorities.
16. The work should be carried-out in the supervision of the department.
17. The cost of construction of road will be borne by Municipal Council Jind and in case widening of channel is required in future, Municipal Council Jind will abide by the directions of the Irrigation & Water Resources Department and will not make claim of any type. The affidavit in this regard be obtained from Municipal Council Jind before start of the work.
18. The use of channel by the Municipal Council Jind shall be allowed with due permission of Officer in charge of the channel, obstruction in the free moment inspection vehicle of the department for normal functioning on the channel shall have to be avoided by the Municipal Council Jind while carrying out the work.
19. That department reserves the right to withdraw the permission if at a subsequent date it is found that permission is not as per rules or against the interest of irrigation.
20. The drawings be got countersigned from concerned Superintending Engineer of Irrigation & Water Resources Department in lieu of checking hydraulic parameters.
21. If extra land required for construction of road by Municipal Council Jind be acquired/arranged by Municipal Council Jind at their own level.
22. The work on the channel shall be taken up only after obtaining prior approval from the irrigation Department in every closure period.
23. The Municipal Council Jind authorities will be abide by all the terms & conditions of the notified policy & fulfill all the formalities as per notified approved policy before execution of work.
