

SUITABILITY CERTIFICATE OF COMPENSATORY AFFORESTATION LAND

This is to certify that land measuring 40 hectare of forest land for raising Compensatory Afforestation against forest diversion proposal namely **Construction of 400 kV DC BongaigaonNangalbibra Transmission Line** has been identified at Bhairab reserve forest and found suitable for plantation from the management point of view.

The proposed land for Compensatory Afforestation is on gently undulating terrain, red soil, accessible to the site, and suitable for some selected species for plantation.

The said area has been inspected along with the Range Officer, Abhayapuri Range, and subordinate staff of Abhayapuri Range.

(Divisional Forest Officer)
Aie Valley Division, Bongaigaon
