Subject: Diversion of 0.5705 ha. of forest land (instead of 0.5948) in favour of Snowfoam Energy Pvt. Ltd. for the construction of Hamshu-I SHEP (2MW) within the jurisdiction of Kullu Forest Division, Distt. Kullu, Himachal Pradesh. (Online No.FP/HP/HYD/39463/2019).

Sir,

Kindly refer to the online EDS dated 21.12.2021 raised by your office on the above cited subject.

In this context, it is submitted that Paradi village is also a part of Gram Panchayat Pichhlihar for which FRA has been obtained. Further, initially the proposed forest land was 1.5461 ha. for which FRA certificate was obtained from DC, Kullu. After reassessing the technical feasibility of the project, the proposed land was reduced to 0.5705 ha due to the following reasons:-

- i) Initially the T/line was proposed overhead with ROW 15 mtrs. which now has been proposed underground with width 60cm.
- ii) The width of WCS has been reduced from 2 mtr to 1 mtr.
- iii) The 1200 mtr long proposed ropeway has been removed from the proposal.
- iv) The Power House which was earlier proposed on forest land has now been proposed on private land.

It is, therefore, requested to kindly obtain the necessary approval under FCA, 1980 from the competent authority.
