Sir,

Kindly refer your above cited letter wherein Project has been requested for reply to observation mentioned at s. no. (06) in the letter. In this context, Project would like to intimate that the Environment Clearance (EC) letter to Pakal Dul HE Project was issued by MoEF&CC on 29.02.2008 wherein at serial no. 9 of EC letter it was provided that *"this Clearance letter is valid for a period of 10 years from the date of issue of this letter for commencement of construction works."*

The above said condition of the EC letter has been duly complied with by the Project and major construction works were started before completion of 10 years i.e. before 28.02.2018. As such expansion/amendment of EC was not required.

Thanking you and warm regards,

Yours Faithfully,

General Manager (I/C)
