

- NOTE FOR REFERENCE -

The subject proposal (Part-I) for diversion of 3.60 ha of forestland for Oil India Limited's drilling location DML-3/1 was submitted to Nodal Officer, Deptt. of Environment & Forests, Govt. of Arunachal Pradesh, Itanagar in hard copy on 25.10.2013.

Subsequently, Part-II and Part-III of the proposal were submitted by concerned DFO and CCF on 15.09.2016 and 10.11.2016 respectively.

The proposal is now uploaded in the system as advised.

A total of two numbers of exploratory wells namely DML-3 and DML-1 will be drilled from the same plinth (location). As such, the proposal which was submitted originally as 'Proposal for DML-3' is now referred as 'Proposal for DML-3/1' to avoid any confusion in the future. There is no change in the area involved; which is 3.60 ha as indicated in the proposal.
