

GOVT. OF ASSAM
OFFICE OF THE DIVISIONAL FOREST OFFICER ::: CACHAR DIVISION :::
SILCHAR.

Letter No. A/35/Diversion/ 1550

e-mail- dfo.t.cachar@gmail.com

Dtd. Silchar, the 29.10.21

To,

The Principal Chief Conservator of Forests &
Head of Forest Force, Assam,
Panjabari, Guwahati-37.

Sub- Proposal for diversion of 6.09 ha of forest land for ONGC Silchar explanatory
drilling TNAA under Cachar Division, Silchar.

Ref- Letter No. FG.27/FCA/Drilling Location TNAA/ONGC Dt. 16-08-2021

Sir,

With reference to the subject cited above, I have the honour to inform you that both ONGC & Forest Officials jointly verified the proposed diversion site for an area of 6.09 Ha of forest land under Sonai R.F. As per report of the Range Officer the water body seen in the region is man made by some encroachers and not natural. The encroached area is cleared and the water body which was created artificially is dismantled.

This is for favour of your kind information and necessary action.

Yours faithfully,

de

Divisional Forest Officer,
Cachar Division : Silchar.
