Certificate for Non-availability of Alternate Land for CGD Project in Saran District

Indian Oil Corporation is implementing City Gas Distribution project in Saran District under which steel network and MDPE network is to be developed along the roads in the districts.

Steel network is envisaged to be developed in the district, out of which 21.37 Km of network is falling under protected forest along various roads as per schedule.

As this pipeline will feed natural gas to CNG outlets and PNG connections in Saran district by utilizing minimum forest area in shortest route.

It is hereby certified that there is no other alternate land available than proposed forest land for laying of construction of CGD natural gas pipeline.
