Sir,

This is with reference to Forest Clearance proposal no. FP/KA/ROAD/49295/2020 dt.11.09.2020 seeking diversion of Forest Land in Thattakere village, Ramanagra District in Bannerghatta National Park Division for the development of Phase-II of Satellite Town Ring Road (STRR), newly declared National Highway (NH) 948A from Chainage 82+200 (near Kailancha village) in Ramanagra District of Karnataka to Chainage 140+000 (near Peddamadhagonapalli village) in Kirishnagiri District of Tamil Nadu in favour of Project Director, PIU Bengaluru Expressway, National Highway Authority of India (NHAI).

The above mentioned proposal has been recommended by State Government to MoEF&CC on 01.09.2022 for grant of Forest Diversion Proposal. Further, MoEF&CC vide reference 2<sup>nd</sup> cited has informed that "since the diversion falls inside the Bannerghatta National Park, the proposal for forest clearance can be considered only after the recommendation of Standing Committee of National Board for Wildlife as per para 12.4 of the of Forest (Conservation) Act, 1980 and guidelines and has requested that the recommendation of Standing Committee of National Board for Wildlife may furnished for further consideration of the proposal."

In this regard, it is to inform that during the 75<sup>th</sup> Meeting of the Standing Committee of National Board of Wildlife held on 17.11.2023 under the chairmanship of Hon'ble Minister of Environment, Forest and Climate Change, Government of India, the Standing Committee has accorded approval for the Wildlife Clearance. (Minutes enclosed)

Considering the circumstances outlined above, I kindly request approval for the Forest Diversion Proposal at Bannerghatta National Park for 11 hectares, with proposal number FP/KA/ROAD/49295/2020 dated 11<sup>th</sup> September 2020, at the earliest convenience.

This is for your kind information and further necessary action please.

Yours sincerely,

**75.4.8** Proposal for use of 11 ha of forest land from Bannerghatta National Park (3.853 km) and 8.0826 ha from its Eco-sensitive Zone (2.836 km) for development of Bangalore Ring Road (STRR) Phase-II NH-948A) from Chainage 113.250 km to 119.939 km for Ramanagara to Peddamadhagondapalli Road in Ramanagara, and Bengaluru Urban Districts, Karnataka.

**FP/KA/ROAD/49295/2020**

The Standing Committee was informed that the is proposal for use of 11 ha of forest land from Bannerghatta National Park (3.853 km) and 5.7 ha from its Eco-sensitive Zone (2.0 km) for development of Bangalore Ring Road (STRR) Phase-II NH-

948A) for Ramanagara to Peddamadhagondapalli Road in Ramanagara, and Bengaluru Urban Districts, Karnataka.

The proposal has been recommended by Chief Wild Life Warden, the State Board for Wild Life and the State Government.

The Standing Committee was informed that Dr. Sukumar in his email dated 05.11.2023 has mentioned that this proposal for a major highway (ring road) around Bangalore city cuts through the Bannerghatta National Park which is home to a sizeable population of elephants. He has suggested that a site inspection of the area is carried out by a subcommittee of the Standing Committee to examine the animal passage plan prior to giving clearance for the proposal.

The Standing Committee was informed that as per the proposal and elevated corridor would laid over a length of 3.853 km in the Bannerghatta National Park and one km each on both the side of the National Park in its ESZ.

Shri H. S. Singh enquired about the height of the elevated corridor and mentioned that the it should be high enough to allow elephants to pass through it.

The Standing Committee was informed that as per the proposal, the height of the elevated corridor is 8 m and the old road cutting across the National Park shall not be used for vehicular movements.

DGF & SS observed that due to construction of elevated corridor, the existing road would be abandoned.

Member Secretary, NBWL opined that proposal would be ecologically more useful for the animal movement.

The Chief Wild Life Warden, Karnataka stated that there is elephant movement and the road would be constructed on pillars. Based on the suggestion given by a committee constituted by the Central Government, the User Agency has selected this alignment out of the five. The height proposed for the elevated corridor is sufficient for the elephant movement below.

**Decision Taken:** After discussions, the Standing Committee decided to recommend use of 11 ha from the Bannerghatta National Park and 5.7 ha in its ESZ for the proposed project subject to the following conditions:

1. Strictly follow the Project specific conditions of the MOEF & CC and recommendations of the MOEF & CC and recommendations of the MoEF&CC's Expert Appraisal Sub Committee.
2. All the staff and workers involved in the project implementation should be informed, created awareness about wildlife, so that they would, not harm/ kill/ hunt / poach or abet in any such crimes in any way, failing which, legal course of action under the provisions of Wild Life (Protection) Act, 1972, will be taken.
3. Care should be taken not to disturb the wildlife species and their habitat during work.
4. No work shall be done before sunrise and after sunset in. the project area,
5. The user agency and project personnel will comply with the provisions of the Karnataka Forest Act & Rules, Wild Life (Protection) Act, 1972, Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and Environment (Protection) Act, 1986.
6. No rock breaking / blasting or use of explosives shall be allowed by the User Agency for project implementation.
7. User Agency shall not alter the alignment proposed at later stages as it will result in change in area tinder diversion.
8. The muck generated during the project implementation shall be taken out of the protected area without endangering the flora and fauna.
9. The work shall be taken up only under the close supervision of the jurisdictional officers & staff, to avoid any damage to the flora & fauna.
10. No tents or any other stay arrangement shall be permitted inside the protected area.
11. The old road above which this elevated corridor is proposed shall be closed for vehicular movement upon completion of the project.
12. Any other conditions imposed by divisional forest officers.
13. An annual compliance certificate on the stipulated conditions shall be submitted by the User Agency to the State Chief Wild Life Warden and an annual compliance certificate shall be submitted by the State Chief Wild Life Warden to Government of India.

Subject: Diversion of 11.00 hectare of forest land in Thattekere Village Sy.91 and 100 (Madeshwara State Forest), Maralawadi Hobli, Kanakapura Taluk, Ramanagara District (Bannerghatta National Park) for development of Bangalore Ring Road (STRR Phase -II NH-948 A) for a length- of 57.8 km from Ramanagara in Ramanagara of Karnataka State to Peddamadhagondapalli in Krishnagiri District to Tamil Nadu State (KM 82.200 to KM 140.000). in favour of the Project Director, National Highways Authority of India, Project Implementing Unit, Bengaluru -reg.

Sir,

I am directed to refer to State Government's letter No. FEE 12 FLL 2022 (e) dated 24/02/2022 on the above cited subject and to inform that since the area proposed for diversion falls inside the Bannerghatta National Park, the proposal for forest clearance can be considered only after the recommendation of Standing Committee of National Board for Wildlife as per para 12.4 of the Handbook of Forest (Conservation) Act, 1980 and guidelines. Therefore, it is requested that the recommendation of Standing Committee of National Board for Wildlife may be furnished for further consideration of the proposal. Further, the State Government is also requested to clarify the number of trees affected due to the project as the report of PCCF mentions only 470 trees whereas in Part-II of the proposal, it is mentioned as 1288.

It is also informed that the site inspection of the proposed forest area will be carried out by this office shortly and based on the site inspection, further details, if any required will
