Subject : Proposal for diversion of protected forest land for the project of
Widening and Strengthening Bharuch-Ankleshwar Six Lane
Road Old N.H. No.8 KM 190/8 to 192/040 (A.B.C. Chokadi to
Bholav Jakatnaka) in Bharuch District.

Respected Sir,

This proposal is submitted for getting approval to acquire road side strip plantation area land which is owned by R&B Department for the project of **Widening and Strengthening Bharuch-Ankleshwar Road Old N.H. No.8 KM 190/8 to 192/040 in Bharuch District** with necessary documents and certificates.

Now a days traffic is increasing at faster rate. Development of infrastructure is basic need of country. So it is essential to convert existing routes in four lane high speed highways. Planning and procedure is in progress for same. So it is necessary to cut down the trees near the road boundaries obstructing the work.

Govt. has planned to develop the roads on Annuity base in phase wise development under interstate and port connectivity through various scheme.

This proposal is for part of the length of **Old N.H. No.8 Bharuch-Ankleshwar Road** and required **0.992** hectare protected area.

New lane will be constructed on west of the existing road which will require new additional space of (As per Annexure-2) **0.992** hectare.

This road connect industrial area of Bharuch, Ankleshwar & South Gujarat, Tribal and Rural area of Bharuch and Surat District. Easy transportation will improve productivity and efficiency, reduce the cost of commodities, and decrease the concentration in cities. It will helpful in maintaining law and order. It will help the students to get better and higher education. People will get medical facilities easily. Farmers will sell or buy seeds, fertilizer and products at reasonable rate. This will bring prosperity and development.

Please do needful for diversion of forest land for construction of road considering the above matters.

Thanking you,

Yours faithfully,

Executive Engineer
Bharuch (R&B) Division
